EVALUATION OUTLINE AND ANALYSIS:

The following document offers a thorough analysis and expert evaluation of *Client’s Name* academic credentials.

According to the transcripts, *Client’s Name* began his educational journey with Higher School Preparatory Classes in Business & Management from the Regional Academy of ORIENTAL Education and Training, spanning the academic years 2013-2014 and 2014-2015. Following this, he pursued his 3rd year of superior education in Business & Management at Mohamed First University, Oujda, during the 2015-2016 academic year.

Subsequently, *Client’s Name* embarked on a Bachelor's degree in Law, Economics, and Management at the University of Brest, which he completed over the course of 2016 to 2018. Building on this academic foundation, he advanced to earn a Master’s degree in Finance and Financial Engineering from the same institution, with his studies spanning from 2017 to 2019.

In recognition of these academic accomplishments, *Client’s Name* pursued and obtained an MBA degree in Audit & Management Control from EDC Paris Business School during the 2019-2020 academic year.

My professional assessment concludes that *Client’s Name* educational qualifications are equivalent to a U.S. **Master of Business Administration (MBA)** with a specialization in **Finance** from an accredited

American institution. This equivalence reflects the comprehensive nature of his studies, encompassing key disciplines such as finance, economics, management, audit, and financial control, aligning with the rigorous standards of a U.S. academic program.

REVIEW OF ACADEMICS:

University: *University of Brest, France*

Type: *Public*

Established: *1970*

Accreditation: *French Ministry of Higher Education, Research, and Innovation*

The University of Brest, officially known as Université de Bretagne Occidentale (UBO), is a prominent public institution of higher education located in Brest, France. Established in 1970, UBO has evolved into a key academic and research center within the Brittany region. The university offers a diverse range of programs across various disciplines, including science, engineering, humanities, and social sciences. Accredited by the French Ministry of Higher Education, UBO is recognized for its commitment to academic excellence and rigorous standards. Known for its strong emphasis on research and its vibrant academic community, UBO plays a crucial role in advancing knowledge and fostering innovation. Its dedication to providing quality education and contributing to regional development makes it a vital institution in French higher education.

For more information about the university, check <https://www.univ-brest.fr/en/page/about-ubo>
